Travel Armenia

an app for people who want to travel to Armenia

Some User Stories

1. The user needs to sign up with answering some questions
2. In the feed, there will be updated information every day about sights to visit in Armenia and their history
3. Users can like the posts
4. Users can comment on posts
5. Users can give a recommendation about a visited sight

Story 1

"The user needs to sign up with answering some questions"

Need a sign up page

1. A new user signs up for the app answering some questions related to travel to Armenia.

Need a login page

2. After the the use logs in to the app using username and password
3. If the login is successful, the user sees a list of posts from the admins of the app about some famous sights in Armenia

the "feed" page

Story 2

"Users can like the posts of admins"

1. Suppose a user is logged in, viewing the <u>feed page</u> (see Story 1)
2. On any post visible to the user, they can click a button to "like" the post
3. Once they click the button, they can see that they have liked the post
4. If the user returns to the <u>feed page</u> later, they can still see they have liked the post
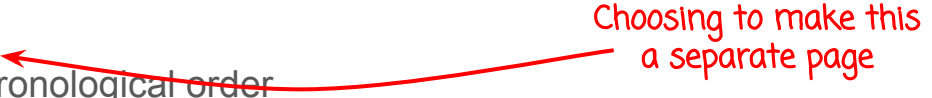

Story 3

"Users can give a recommendation about a visited sight"

1. Suppose user is logged in, viewing the <u>feed page</u> (see Story 1)
2. The user can see a "Give recommendation" button to enter some text and pictures
3. When the user presses a "post" button, the recommendation is posted
4. When any other user logs in and views the same post, they can see the recommendation.

Story 4

"A dog can comment on another dog's post"

1. Suppose a user is logged in, viewing the <u>feed page</u> (see Story 1)
2. On any post visible to the user, they can click a comments button
3. When they click the comments button, they see
   a. The relevant post
   b. All of the <u>comments on the post</u> in chronological order
   c. A textbox to create a new comment
4. They can enter some text in the textbox and press a "comment" button
5. Then, this new comment is visible in the list of comments, to any user who can see the post

Choosing to make this a separate page

I have been there. Here are my photos...

Post

This is a really nice place. Here is my story...

July 4, 7pm

I am shocked by the view. I explored a new church there...
